101 Reasons why Communist China Should Not be Admitted to the United Nations If You Consider ... - Committee of One Million Against the Admission of Communist China to the United Nations 1971

The Other Side of the Sixties - John A. Andrew 1997 What were young conservatives doing in the 1960s while SDS and SNCC were working to move the political center to the left? The Other Side of the Sixties offers a gripping account of Young Americans for Freedom (YAF), an organization that became a leading force in promoting conservative ideas and that helped lay the groundwork for today's conservatism. John Andrew has mined unique archival material to document YAF's efforts to form a viable organization, define a new conservatism, attack the liberal establishment,
and seize control of the Republican party, all while battling voter hostility and internal factionalism. The author also uncovers the Kennedy administration's use of the IRS to subvert YAF and other right-wing organizations through tax audits and investigations. By painting a more balanced portrait of political thinking in the sixties, Andrew offers a new and much needed look at the ideological atmosphere of a vibrant decade.

Communist China, a Nation Enslaved-Greg O'Dwyer 1957

Congressional Record-United States. Congress 1969 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873.
