Fl Constitutionalism and Human Rights in Russia

Women and politics in Russia (and in the new states of the former Soviet Union) have been at the forefront of developments in Russian society. Women have been active in public life at all levels, from the grassroots to the international stage, and have made significant contributions to the advancement of human rights and gender equality. In recent years, there has been a growing recognition of women's rights in Russia, and there have been efforts to improve the legal and social framework for women's rights. However, there are still many challenges and barriers that women face in Russia, including gender-based violence, discrimination, and lack of access to justice. Women's rights organizations continue to work towards creating a more equal and just society for all women in Russia.

Becoming Rights-Making in the Russian States: Legal Discourses and Women's Rights

The Women's Liberation Movement in Russia

The book examines the experiences of women in the context of the women's liberation movement in Russia, covering the period from the 1960s to the 1980s. It explores the origins of the movement, its internal dynamics, and its relationships with other social movements. The book also discusses the impact of the movement on Russian society, politics, and culture. However, the movement's legacy has been complicated, with some critics arguing that it helped to perpetuate traditional gender roles and reproduction of patriarchy.

Vladimir Nabokov, Joseph Brodsky), cultural critics and facilitators (Lidiia Ginzburg, Avdot'ia Panaeva), political dissidents (Evgeniia Ginzburg, Elena Bonner), and popular artists (filmmaker Elidar Riazanov). It examines each memoir for its contribution to understanding the rich homosexual subcultures of St. Petersburg, and for its role in shaping the identity of the city and its people.
