Labor Zionism - Wikipedia
Ideology Moses Hess's 1862 Hess proposed a socialist state in which the Jews would become agrarianized through a process of "redemption of the soil" that would transform the Jewish community into a true nation in that Jews would occupy the productive layers of society rather than being an intermediary non-productive merchant class, which is how he perceived European ...

Communist state - Wikipedia
Marxism–Leninism was the state ideology of the Soviet Union, the Comintern after Bolshevisation and the communist states within the Comecon, the Eastern Bloc and the Warsaw Pact. Marxism–Leninism remains the ideology of several communist states around the world and the official ideology of the ruling parties of China, Cuba, Laos and Vietnam. Communist states are ...

Monthly Review | Why Socialism?
01/05/2009 · Since the real purpose of socialism is precisely to overcome and advance beyond the predatory phase of human development, economic science in its present state can throw little light on the socialist society of the future. Second, socialism is directed towards a social-ethical end. Science, however, cannot create ends and, even less, instill
