Identifying Talent, Institutionalizing Diversity—Jasmin Lee Shaw 2004-11-16 “Diversity” has become a mantra in corporate boardrooms, higher education, and government hiring and contracting. In identifying Talent, Institutionalizing Diversity, Jasmin Lee Shaw explains the leading role that large philanthropies have played in shaping modern American racial policy and practice. The first of its kind, this book uses the lens of racial and institutional diversity policies to examine the two most prominent roles of the Ford Foundation, the third largest private foundation in the country, in shaping diversity policies. Identifying Talent, Institutionalizing Diversity reveals philanthropic diversity policy as a lens through which to focus on U.S. race relations and the role of the private sector in racial politics.

Leadership in Nonprofit Organizations—Kathryn A. Apgar 2010-10-19 Leaders of nonprofit organizations deliver programs and services vital to the quality of life in all United States. The activities of our religious communities; the vast majority of the arts and culture, human services, and community development pursuits; as well as education and environmental advocates take root and deliver their services within the nonprofit sector. Welcome to the world of leadership in nonprofit organizations. This book offers an comprehensive resource for the field. It provides an introduction to the field of nonprofit management and a guide to mastering the skills needed to be successful in this dynamic and rewarding profession. Through the lens of leadership, it helps nonprofit managers succeed in their work in this vital sector of society.

Making the Nonprofit Sector Unstoppable—Michael Peter Smith 2011-12-31 Due to heightened global migration and transnational mobility, many residents of the world’s cities find themselves living in an urban mosaic of people from diverse cultural, linguistic, religious, and ethnic backgrounds. As a result, many cities are now undergoing what is called “global remaking.” Global remaking urban citizenship is the process by which urban societies are reimagined and transformed through the creation of new social identities and new social ties. This book offers a comprehensive guide on how to navigate the challenges and opportunities of global remaking urban citizenship.

Managing Nonprofit Funding Relations—Kirsten A. Grønbjerg 1990 - Patrice Flynn 2013-11-11 One of the major tasks facing researchers, practitioners, and funders is the development of successful funding strategies. This book provides an in-depth analysis of the key issues related to funding mechanisms and strategies for nonprofit organizations. It covers the history, the evolution, and the current state of funding practices, as well as the challenges and opportunities for nonprofit organizations in a rapidly changing funding landscape.

Handbook of Research on Nonprofit Economics and Management - Bruce A. Seaman 2018-06-29 Building on the success of the first edition, this thoroughly revised and expanded edition explores (1) areas of general agreement from previous research; (2) areas of conflicting results and unexplored questions; (3) the relative roles of theory, data availability and empirical analysis in explaining gaps in our knowledge; and (4) what must be done to improve our knowledge and extend the literature. Selected original chapters addressing especially challenging topics include the value of risk management to nonprofit decision-making; nonprofit wages theory and evidence; the valuation of volunteer labor; property tax exemption for nonprofits; when is competition good for the third sector; and product diversification and social enterprise; international perspectives; the application of experimental research and the macroeconomic effects of the nonprofit sector.

Nonprofit/government Contracting and Sectoral Relationships - Kristin L. Scotchmer 1995
