Toward a Contemporary Wisdom Christology: A Study Of Karl Rahner And Norman Pittenger

Toward a Contemporary Wisdom Christology:

Christology has been a source of tension and dialogue between the East and the West, the North and the South, and the modern and the traditional. It is a field of study that seeks to understand the nature of God, the person of Jesus Christ, and the relationship between them. This book aims to provide a fresh perspective on Christology by integrating the insights of Karl Rahner and Norman Pittenger, two prominent theologians in the contemporary Catholic Church.

Contents:
1. The Christology of John Macquarrie
2. The Christology of John Macquarrie and the Christological Tradition
3. The Christology of John Macquarrie and the Christological Tradition
4. The Christology of John Macquarrie and the Christological Tradition
5. The Christology of John Macquarrie and the Christological Tradition
6. The Christology of John Macquarrie and the Christological Tradition
7. The Christology of John Macquarrie and the Christological Tradition
8. The Christology of John Macquarrie and the Christological Tradition
9. The Christology of John Macquarrie and the Christological Tradition
10. The Christology of John Macquarrie and the Christological Tradition
11. The Christology of John Macquarrie and the Christological Tradition
12. The Christology of John Macquarrie and the Christological Tradition

The book explores the ideas of Rahner and Pittenger on Christology and how they contribute to a contemporary understanding of this field. It is a valuable resource for students and scholars of theology, as well as for those interested in the development of Christian thought in the modern era.
The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Denis Edwards in His Own Words - 2020
Denis Edwards was a theologian concerned with the science and religion discourse and eco-theology. He died in March 2019. This book is a collection of his till now unpublished talks and essays.
