Come and I Will Sing You-Genevieve Lehr
1985 Newfoundlanders have long and lustily sung their folksongs, and the tradition remains strong today. Despite modern influences, the old songs persist, mixed with new songs that are composed to record the events of our time. This is the first major collection of Newfoundland folksongs compiled and edited by native Newfoundlanders. It concentrates on songs of local composition largely ignored by earlier collectors and presents a significant number of songs never before published. For most of the last decade Lehr and Best have been travelling around the island recording the voices and favourite songs of anyone, young and old, who would perform. Recordings took place in family kitchens, on stage heads, and in trap stores while the singer knitted twine or repaired lobster pots, aboard ships at anchor or en route to some small deserted harbour. Humming engines, blowing oilstoves, or clattering supper dishes provided accompaniment. The 120 songs collected here by Lehr and Best have been transcribed by Pamela Morgan and illustrated by Elly Cohen. Some recall the distant past of a long and rich seafaring tradition; others tell of such recent tragedies as the displacement of outport people and the sinking of the Ocean Ranger. The selection represents the state of the folk-song in Newfoundland today; in some part it documents what is lost and forgotten, but it also celebrates what has survived, and thrives.

The Louder I Will Sing-Lee Lawrence

2020-09-17 WINNER OF THE COSTA BIOGRAPHY PRIZE 2020 'This is the story of arguably one of the most important, yet least known, events in modern British history. Lee's journey and fight for justice are both inspiring and enraging’ AKALA What would you do if the people you trusted to uphold the law committed a crime against you? Who would you turn to? And how long would you fight them for? On 28th September 1985, Lee Lawrence's mother Cherry Groce was wrongly shot by police during a raid on her Brixton home. The bullet shattered her spine and she never walked again. In the chaos that followed, 11-year-old Lee watched in horror as the News falsely pronounced his mother dead. In Brixton, already a powder keg because of the deep racism that the community was experiencing, it was the spark needed to trigger two days of rioting that saw buildings brought down by petrol bombs, cars torched and shops looted. But for Lee, it was a spark that lit a flame that would burn for the next 30 years as he fought to get the police to recognise their wrongdoing. His life had changed forever: he was now his mother's carer, he had seen first-hand the prejudice that existed in his country, and he was at the mercy of a society that was working against him. And yet that flame - for justice, for peace, for change - kept him going. The Louder I Will Sing is a powerful, compelling and uplifting memoir about growing up in modern Britain as a young Black man. It's a story both of people and politics, of the underlying racism beneath many of our most important institutions, but also the positive power that hope, faith and love can bring in response.

Till He Come: Devotional Meditations on Communion - C.H. Spurgeon 2016-09-29 This is no ordinary collection of sermons on the topic of Communion. Charles Spurgeon made a sacred habit of partaking of the Lord’s Supper with fellow believers every Sunday. In those moments he would present these short sermons to help focus everyone’s attention on different facets and ways of experiencing the glorious mystery and beautiful gift of the sacrifice of Jesus. Spurgeon found that this weekly observance never became a rote habit, but rather drew him deeper and deeper into the mystery and love of Christ. His devotion is reflected in these sermons, which inspire us today to approach the breaking of the bread and the drinking of the cup in a whole new way.

The Complete Works of C. H. Spurgeon, Volume 44 - Spurgeon, Charles H. Volume 44 Sermons 2550-2602 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity’s foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in Old and New London: Volume 6 (1878) quoting an article from the Times regarding one of Spurgeon’s meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon ascended his tribune. **The Birds Will Sing Again** - Dr. Gretchen Helm
2011-08-09 It seemed an unlikely match—a minister and a bartender. But Rev. Norman Helm and Gretchen fell in love and became man and wife in 1981. They lived a happy life together until the day Norm was hit by a car while crossing the street in Westborough, Massachusetts, on December 1, 1989. He suffered a traumatic brain injury that also left him virtually deaf. In this memoir, Gretchen tells the honest and personal story of how they have dealt with Norm’s traumatic brain injury, the loss of his profession as a senior pastor, his profound deafness, and his recent diagnosis of dementia. From the sad to the lighthearted, she shares anecdotes from their life together—how they have coped with the many challenges placed in their path and how their experiences have made them stronger. A testimony of hope for a bright future, The Birds Will Sing Again demonstrates how sharing painful experiences can help ease the burden of living with disabilities and shows the power of celebrating the joys of each day.

A Commentary on the Book of Psalms - Saint Robert Bellarmine 1866 The Book of Psalms, even if it is, properly speaking, the third part of the Old Testament, as Our Lord says in Luke 24:44, “all things must needs be fulfilled which are written in the law of Moses and in the prophets and in the psalms, concerning me,” nevertheless is also a sort of summation or as it were a compendium of all of Sacred Scripture. For the Book of Psalms contains accounts from sacred history, as is evident from Psalms 77, 103, 104 and others; it contains many very plain prophetic oracles, as is evident from Psalms 2, 21, 44, 60 and others; it contains laws and precepts, as is evident in Psalm 118; it contains "hagiographa" in almost all the Psalms, that is, exhortations to virtue, discouragement from vice, threats, promises, examples, remedies for vices, divine praises, prayers to God, in short a complete, natural, moral and supernatural theology.
