**Evangelization and Cultural Conflict in Colonial Mexico**

Robert H. Jackson 2014

The process of evangelization in sixteenth-century Mexico was a complex and often violent one, with the indigenous people facing both the loss of their traditional culture and the imposition of a new religion. The book explores the strategies used by the Spanish missionaries to convert the native populations, and examines the impact of these strategies on the cultural and social landscape of colonial Mexico.

**The Spiritual Exercises of Saint Ignatius of Loyola**

J. H. Elliott 2006-01-01

This epic history compares the empires built by Spain and Britain in the Americas, from Columbus's arrival in the New World to the fall of the Inca and Aztec empires. The book examines the strategies used by both nations to expand their influence and the impact of these strategies on the indigenous populations.

**Front Lines**

Miguel Martinez 2016-07-28

In Front Lines, Miguel Martinez documents the literary practices of imperial Spain's common soldiers. Against all odds, these men read and wrote ballads, chronicles, and epistles—poetry that captured the heroic spirit of the times.

**Desertion**

Miguel Martinez 2016-07-28

Desertion was a common occurrence in the Spanish colonial army, and the perspective of these soldiers is central to understanding the military campaigns of the Spanish Empire. The book explores the reasons for desertion, the consequences for the soldiers, and the impact on the military campaigns.

**Evangelization and Cultural Conflict in Colonial Mexico**

Robert H. Jackson 2014-05-02

In a study published in the mid-twentieth century, French historian Robert H. Jackson examined the process of evangelization in sixteenth-century Mexico. He argues that the Spanish missionaries were not successful in converting the native populations, and that the process of evangelization was marked by violence and cultural conflict.
